

FUNDRAISING PARTNERSHIP

Building community one food box at a time

THE DARWIN FOOD COLLECTIVE

You need funds...

And what better way to raise funds than by connecting your organisation, club or school with local farmers, producers and businesses committed to providing the very best fresh and local produce?

They can buy their grocery items from us and in so doing, we'll share the profits with you!

What's available through The Darwin Food Collective?

An enterprise of community-focused company Darwin Reignite, The Darwin Food Collective brings to you the very best locally grown and produced fruit & veg, meat, seafood and grocery items (desserts, pet foods, eggs, etc.). We place orders with our local suppliers and our team packs and delivers orders with love, care and passion!

How customers order

Customers simply visit our online store at www.thedarwinfoodcollective.com.au to place their orders one week prior to delivery. Delivery days are Tuesdays and Thursdays across Darwin, Palmerston and rural areas. There are no contracts or minimum spends. Customers simply order what they want, when they want.

How profits are shared

Darwin Reignite will share 40% of its profits with members of your organisation, club or school. For instance, if an order from one of your customers yields a \$30 profit, your organisation receives \$12 for that sale. We then pay your organisation weekly.

Let's get started!

Simply call us on 0409 860 823 or email admin@thedarwinfoodcollective.com.au to sign up for our Fundraising Partner Campaign. Getting started is simple and we are ready to work with you to raise the funds you need!

"With The Darwin Food Collective, we don't just want to raise funds for Darwin Reignite, but also the many clubs and schools in our community. And through this initiative, we help our local producers, suppliers & foodie creators!"
