ADVOCACY

We have a strong voice and are influential advocates for educational leaders in the NT by;

- Maintaining a national voice through strong working relationships with key stakeholders
- Achieving fair and equitable principal conditions and levels
- Differentiating and targeting support for members.

WELLBEING

Committed to creating a healthy and thriving culture that supports self-care strategies to value the wellbeing of educational leaders in the NT by;

- Developing leadership mind frames for wellbeing
- Conducting a workload audit
- Building social capital.

LEADERSHIP DEVELOPMENT

Further developing the capacity of current and future educational leaders in the NT to deliver a world class education by;

- Enhancing instructional leadership
- Facilitating and enabling networks for educational practice to be shared and celebrated
- Building collaborative professionalism of educational leaders.
